

# Ourselfes / Myself

Scar

June 7, 2015

I'm honest with my self everyday since I  
tell my self the truth

I am honest with myself because I always  
want to be nice.

Milos

I am honest to myself why because if I  
am going to make a mistake I can stop myself  
or doing those things.

I'm honest with myself because I have to be  
honest on how I feel.
